

RoHS COMPLIANCE STATEMENT

As a world leader of EMI Filters, Radius Power is pleased to provide the following road map for RoHS compliance in accordance with European directive 2002/95/EC (RoHS), current revision:

Product Type	Model Numbers
EMI Filters Standard Types	“RP” Models
EMI Filters Custom Types	Per Customer Request “RPC” Models

Note: Compliance originally instituted on 07/01/05

Last Updated: October 2011
